man of style

Michael Jordan

"Doesn't your food go bad?" Jordan asks when you tell him you're wearing his own Michael Jordan cologne. "It's like when you put on a new suit and you know you look great." The Chicago Bulls basketball star laid out one of the new barely there Spice Justo shoes knowing something when it comes to style. "I sleep more than my wife," admits the 33-year-old athlete who wears a quilt jacket and size 13 shoes. His passion for fashion has won him almost as many ladies as non-releasable player awards. Now, the 33-year-old Brooklyn-born father of three shares his style secrets in our inaugural Man of Style.

Where do you get your fashion inspiration? Women's magazines, because women's style moves faster than men's.

What's your fashion philosophy? I'm a little conservative, with a little funk thrown in to just to up. Hardly do I wear bright colors. I always wear white shoes. A white shoe has a business attitude that really
